

CERTIFICATE OF FACTORY PRODUCTION CONTROL

Certificate No: 0809 - CPD - 0612

In compliance with the Directive 89/106/EEC of the council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive -CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction products

IsoElast K(EKP-5,0), IsoElast P(EPP-4,0) and IsoElast P(HPP-3,0) reinforced bitumen sheets for roof waterproofing

manufactured from modified bitumen with polyester or glass reinforcement

The manufacturer of the products is

Limited corporation Kirishinefteorgsintez, plant Isoflex

Sh. Entuziastov 1, Kirishi
Leningrad region
187110 RUSSIAN FEDERATION

And produced in the factory

**Limited corporation Kirishinefteorgsintez, plant Isoflex
Kirishi, Russian Federation**

are submitted by the manufacturer to the initial type testing of the product, a factory production control and further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body VTT Technical research centre of Finland has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standard

EN 13707:2004

were applied.

This certificate was first issued on 2008-08-04 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factories or the FPC itself are not modified significantly.
